Hillsborough County Multifamily Rental Housing Project Application Fiscal Year 2010-2011

Introduction:

The Hillsborough County Affordable Housing Department is currently seeking to utilize a portion of its federal and state funds to provide assistance to organizations that construct or rehabilitate affordable multifamily rental housing in Hillsborough County. The County anticipates \$1,700,000 in HOME Investment Partnerships Program and \$1,000,000 in State Housing Initiatives Partnership Program (SHIP) funds will be available for multi-family construction projects that are ready to proceed immediately or will be submitted for the 2011 State of Florida Universal Cycle or other competitive funding cycles.

The proposed developments shall provide long-term, affordable housing to a mix of eligible households, including low and very low income. By submitting the attached application, the Applicant acknowledges their understanding of and agrees to adhere to all federal, state, and local requirements associated with these funds, including the HOME and SHIP Programs.

HOME Investment Partnerships (HOME) Funds:

HOME Investment Partnerships Program funds can be utilized for the development of affordable rental housing through acquisition, new construction, reconstruction, or moderate or substantial rehabilitation of non-luxury housing with suitable amenities. This includes real property acquisition, site improvement, conversion, demolition, and other eligible activities approved by the County. The housing must be permanent or transitional housing (with leases of no less than one year).

The HOME Program requires a minimum \$1,000 HOME investment per unit and a maximum per-unit subsidy based on current Section 221(d)(3) limits, for elevator-type projects. Projects assisted with HOME funds must also comply with rent limits as provided below and subsequent updates to these limits provided annually by the United States Department of Housing and Urban Development (HUD).

	Efficiency	1 BR	2 BR	3 BR	4 BR	5 BR	6 BR
Low Rent	\$520	\$557	\$668	\$772	\$862	\$951	\$1,039
High Rent	\$656	\$704	\$847	\$970	\$1,063	\$1,154	\$1,245

Current HUD Rent Limits as of March 2010.

The maximum allowable HOME rents must be reduced if the tenant pays for any utilities, with the exception of telephone. Utility allowances provide a mechanism for reducing the maximum allowable HOME rents when some or all utilities are paid by the tenant. Information on utility allowances will be provided upon request.

Rental projects subsidized by the HOME Program must comply with the Program Funds Rule and the Project Rule, as established by the HUD. The Program Funds Rule states that 90% of total households assisted (HOME subsidized units) must have incomes that do not exceed 60% of the Area Median Income (AMI). The Project Rule specifies the occupancy of units in each rental project. In projects of 5 or more HOME-assisted units, at least 20% of the HOME assisted units must be occupied by families who have annual incomes that are 50% or less of the AMI (Low Home Rent Units). Projects with fewer than 5 HOME-assisted units do not have to restrict any units to Low HOME Rents or limit occupancy to tenants at 50% percent or below of the AMI.

These affordable units may either be floating or fixed, with an affordability period determined by the level of subsidy and project type (i.e. new construction or rehabilitation).

<u>HOME Investment / Per Unit</u>	<u>Length of Affordability Period</u>
Less than \$15,000 (Rehab)	5 Years
\$15,000 - \$40,000 (Rehab)	10 Years
More than \$40,000 (Rehab)	15 Years
New Construction of Rental Housing	20 Years

State Housing Initiatives Partnership (SHIP) Program Funds:

SHIP funds may be used to assist newly constructed or existing multi-family developments serving households under 120% Area Median Income adjusted to family size. Selection and qualification criteria for SHIP recipients will be tied to affordability guidelines as published by HUD and distributed by the Florida Housing Finance Corporation on an annual basis. Household income of recipients placed in SHIP assisted units cannot exceed the designated areas median income adjusted for family size for an identified percentage category as identified on the Florida Housing Finance Corporation Income Limits Chart. Projects assisted with SHIP funds must also comply with rent limits, as provided below and/or subsequent updates to these limits as provided annually by HUD.

Income Level	Efficiency	1 BR	2 BR	3 BR	4 BR
30% AMI (VL)	\$312	\$334	\$401	\$463	\$517
50% AMI (VL)	\$520	\$557	\$668	\$772	\$862
80% AMI (Low)	\$832	\$892	\$1,070	\$1,236	\$1,380
120% AMI (Mod)	\$1,248	\$1,338	\$1,605	\$1,854	\$2,070

Current SHIP Rent Limits as of May 14, 2010.

The SHIP Program requires that all units assisted with SHIP funds must be occupied by eligible households. The County must ensure that, on a cumulative basis, at least 30% of the County's annual SHIP funds must be reserved and benefit very low-income households (households earning less than 50% of the AMI) and at least an additional 30% must be reserved for awards to low-income households (households earning between 50.01 and 80.00% of the AMI). The remainder may be reserved for moderate income households (households earned between 80.01 and 120% of the AMI) or additional low or very low income households. The County, however,

encourages Applicants to include a larger number of units made available to very low income households than the cumulative requirement.

A developer's designated management company will select and place eligible households into SHIP assisted units on a first-come, first-serve basis in a manner which will ensure there will be no discrimination on the basis of race, creed, color, age, sex, familial or marital status, handicap, religion, or national origin.

Applicants receiving assistance from both SHIP and the Housing Tax Credit Program shall be required to comply with income limits, affordability periods and other requirements. Similarly, any units receiving assistance from SHIP and other federal, state or local programs shall be required to comply with any requirements specified by the other program in addition to SHIP program requirements. In the event both programs have restrictions on the same issue, the more restrictive regulation shall take precedence. If one program is silent on an issue, the program with a regulation on the issue shall apply.

SHIP Employment Preference: Eligible Applicants that propose to employ personnel from Welfare Transition Program and Workforce Development Initiatives programs will be given preference in the selection process. A Schedule of Subcontracting Form and Employment Data and Schedule of Minorities and Women Form are to be completed and submitted by all Applicants. Selection criteria that employ a bonus point system will be used in evaluating proposals that commit to the employment of welfare recipients. To be eligible, Applicants must complete and submit the form listing the number of welfare recipients to be hired with the proposal. Bonus points shall only be awarded once for any one individual hired. Individuals hired may be employed in any position within the firm. The failure of the Applicant to comply with these hiring commitments after contract award shall be grounds for termination of the contract for default. During performance of the contract, the Applicant will take appropriate steps to ensure that individuals hired under this program are retained. However, if it becomes necessary to replace an employee, the Applicant shall provide verification of the replacement worker's status from the County Jobs and Benefits Coordinator, Department of Labor. At its discretion, the County may periodically request submission of certified payrolls to confirm the employment status of program participants.

Other Regulatory Requirements:

Other federal regulations that are applicable when receiving HOME and SHIP funds include, but are not limited to, minority and women's business enterprises, Section 3, ADA, labor, lead-based paint, and relocation regulations. A brief overview of each regulation is provided below.

MINORITY AND WOMEN'S BUSINESS ENTERPRISES: The requirements of Executive Orders 11625, 12432, 12138 and 24 CFR § 85.36(e) apply to grants under this part. Consistent with HUD's responsibilities under these Orders, the Applicant must make efforts to encourage the use of minority and women's business enterprises in connection with funded activities.

SECTION 3: The purpose of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u) (Section 3) is to ensure that employment and other economic opportunities generated by HUD financial assistance (greater than \$100,000) shall, to the greatest extent

feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low income persons.

ADA COMPLIANCE: The Applicant shall comply with the applicable provisions of the Americans with Disabilities Act (42 U.S.C. §§ 12101-12213) and assist the County with complying with the implementing regulations at 28 CFR, Part 35. All new construction housing developments receiving HOME subsidies with 5 or more units must design and construct 5 percent of the dwelling units, or at least one unit, whichever is greater, to be accessible for persons with mobility disabilities. These units must be constructed in accordance with the Uniform Federal Accessibility Standards (UFAS) or a standard that is equivalent or stricter. An additional 2% of the dwelling units, or at least one unit, whichever is greater, must be accessible for persons with hearing or visual disabilities.

For more information on the accessibility requirements for federally assisted new construction and substantial alterations of existing federally assisted housing, refer to Section 504: Disability Rights in HUD Programs.

LABOR: The Applicant agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. § 327 et seq.) and all other applicable Federal, State and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of work under this RFP. The Applicant agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. § 874 et seq.) and the implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. The Applicant shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the County for review upon request. The Applicant agrees that, except with respect to the rehabilitation or construction of residential property containing less than 8 units, all contractors engaged under contracts in excess of \$2,000 for construction, renovation or repair work financed in whole or in part with assistance provided under this RFP shall comply with Federal requirements adopted by the County pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers, provided that, if wage rates higher than those required under the regulations are imposed by State or local law, nothing hereunder is intended to relieve the Applicant of its obligation, if any, to require payment of the higher wage. The Applicant shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

LEAD-BASED PAINT: The Applicant agrees that any construction or rehabilitation of residential structures with assistance provided under this RFP shall be subject to HUD Lead-Based Paint Regulations at 24 CFR § 92.355, and 24 CFR Part 35, Subpart B. Such regulations pertain to all HOME-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the

property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

UNIFORM RELOCATION ACT: The Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA), passed by Congress in 1970, is a federal law that establishes minimum standards for federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The URA's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects. The Applicant agrees to adhere to 49 CFR Part 24, the government-wide regulation that implements the URA, and HUD Handbook 1378, which provides HUD policy and guidance on implementing the URA and 49 CFR Part 24 for HUD funded programs and projects.

INTERNAL MONITORING: Rental units constructed, rehabilitated or otherwise assisted using HOME and/or SHIP funds must be monitored annually for 15 years or the term of assistance, whichever is longer, for compliance with tenant income and affordability requirements. The County will be responsible for monitoring affordability and maintaining regular tenant monitoring reports required under the HOME regulations and SHIP Statute. This strategy will be leveraged with other resources such as HOME funding and Community Development Financial Institution funding to assist selected affordable developments.

The Committee will conduct a preliminary evaluation of all applications to ensure they are complete and meet the minimum qualifications and mandatory requirements of the RFP. Failure to comply with any mandatory requirements may disqualify an applicant.

Upon successful completion of the preliminary evaluation, the Application Evaluation Committee will review and rank each proposal based upon the evaluation criteria as set forth below:

1. **Location of project – CDBG Target Area (5 points).** Applicant(s) will receive a score of 5 points if the project is located within one of the County's CDBG Target Areas or in an area identified in the 2000 Census as more than 50% low/moderate income persons. Zero (0) points will be awarded if not in a qualified area.

The boundaries of the CDBG Target Areas can be found at:

<http://www.hillsboroughcounty.org/affordablehousingoffice/grants/block.cfm>

2. **Location of project – Public Facility Accessibility (5 points).** Applicant(s) will receive a score ranging from 0 to 5 points based upon accessibility to certain public facilities. For this review, the facilities will include public schools, employment centers, bus stops, walking distance to food and retail centers, community centers, parks and recreational facilities.
3. **Demographic Commitment (5 points).** Applicant(s) will receive 5 points for projects that exclusively serve senior citizens, severely disabled (as defined by the Bureau of Census Current Population Reports), victims of domestic violence, or homeless persons.
4. **Construction Features and Amenities (10 points).** Applicant(s) will receive scores ranging from 0 to 10 points based upon construction features and amenities. This includes Green Design and Building with energy efficient appliances and other energy saving aspects and also if the project is LEED Certified. Developers with multiple development projects and a record of good performance will maximize this rating category.
8. **Ability to Proceed (10 points).** Applicant(s) will receive scores ranging from 0 to 10 points based upon their demonstration of readiness to proceed. Factors that will be considered include site control, zoning, environmental assessment, staffing, and the commitment of other funding sources.
9. **Non-Profit Partnerships (5 points).** Projects without nonprofit partnerships shall receive 0 points for this rating factor. Projects with nonprofit partnerships shall receive a score ranging from 1 to 5 points, depending upon the significance and meaningfulness of the nonprofit partnership. The most significant partnership would occur with equity ownership. Examples of limited partnerships include, but are not limited to, nonprofits providing property management, social services, and marketing.
10. **Leveraging of Funds (5 points).** Applicant(s) will be awarded points based upon the funds requested (plus any other County funds already committed) divided by total project cost. Points will be awarded for the proposed percentage of non-county funds in the project as follows:
 - a. 5 points = 50% or more of the project is leveraged by non-county funds.
 - b. 4 points = 40-49% or more of the project is leveraged by non-county funds.
 - c. 3 points = 30-39% or more of the project is leveraged by non-county funds.
 - d. 2 points = 20-29% or more of the project is leveraged by non-county funds.
 - e. 1 points = 10-19% or more of the project is leveraged by non-county funds.
 - f. 0 points = Less than 10% of the project is leveraged by non-county funds.
11. **Project Financial Viability (20 points).** Applicant(s) will receive scores ranging from 0 to 20 based upon evidence of long term project viability.

The Application Evaluation Committee will make recommendations to the Affordable Housing Department based upon the criteria outlined above. **A final funding commitment from the Affordable Housing Department will occur once an independent third party underwriter performs an analysis of the approved proposals and provides verification to the County that the proposals are acceptable. All projects must receive final approval from the Hillsborough County Board of County Commissioners.**

Loan Terms:

Permanent loans shall not exceed 40 years and are non-recourse debt secured by a mortgage, note, and land use restrictive agreement, if applicable. In general, construction loans shall not exceed 24 months. Tax credit bridge loans are amortized in accordance with the scheduled capital contributions of investor equity.

If the loan is deferred payment, it will generally be non-amortizing. However, based on the financing requirements of a particular project, the Affordable Housing Department may charge and accrue interest on deferred payment loans. Deferred payment loans are due and payable in full at the expiration of the mortgage - typically 30 years. Repayment on deferred payment loans is made from available project cash flow after payment of project expenses (net cash flow). Allowable project expenses shall be determined prior to the execution of the funding agreement. In general, repayment will be required on an annual basis as a project is reviewed for regulatory compliance and it is determined through the project financial statements or audits that the project has produced surplus cash. This repayment will be based on a percent of the annual net cash flow (typically 25-50%) and will reduce the loan by the amount of accumulated payments resulting from surplus cash. Repayments will be applied first to accrued interest, if any. While typical and customary, the aforementioned terms and conditions of repayment are subject to change pursuant to policy changes and to ensure the financial health and success of the project.

For FY 2010-11 awards, all funding commitments will be made per the minimum requirements to maximize the local government contributions scoring criteria of the 2011 Universal Cycle or other competitive funding cycles

Underwriting Standards:

The forecasted initial year Debt Coverage Ratio (DCR) shall be at a minimum, no less than 1.15. In the case of a project supported by a long term rent subsidy contract or other extenuating circumstance, the initial year DCR will be adjusted accordingly. A higher DCR may be used in cases of small or special use projects where there is higher than normal risk. In general, the following minimum DCR range will apply for such projects:

<u>Project Size (# of units)</u>	<u>Minimum DCR</u>
1-5	1.50
6-10	1.40
11-15	1.30
16-20	1.20
> than 20	1.15

As part of the subsidy layering analysis, the Affordable Housing Department will utilize this DCR table to ensure that a project receives no more capital subsidy than is necessary to make the project financially feasible.

The maximum loan to value ratio shall be 90%, except for projects owned or sponsored by a non-profit or limited equity cooperative for which the maximum LTV shall be 95%. Non-amortizing or deferred payment loans may be excluded from the LTV calculation.

Distribution and Redistribution of Funds:

If the County has committed funds to a project that can no longer proceed (i.e. did not receive a funding allocation from the Florida Housing Finance Corporation), the County reserves the right to redistribute funds in the following manner:

- (1) First to the next highest ranked Applicant that has received an award from the Florida Housing Finance Corporation as a nine percent (9%) new construction or rehabilitation Housing Credit Program Development.
- (2) Then, when no other 9% Housing Credit Program Developments are remaining, to the next highest ranked Applicant that has received an award from the Florida Housing Finance Corporation's Multifamily Mortgage Revenue Bond Program, State Apartment Incentive Loan (SAIL) Program, or Hillsborough County Housing Finance Authority Program.

At the County's discretion, if a project is funded by the 9% Housing Credit, the Florida Housing Finance Corporation's Multifamily Mortgage Revenue Bond Program, State Apartment Incentive Loan (SAIL) Program, or Hillsborough County Housing Finance Authority Program, the funding commitment may be increased based on funding availability and project financing needs.

Disclaimer:

The County reserves the right to: 1) accept or reject any or all proposals received; 2) waive any non-substantive deficiency or irregularity; 3) negotiate with any qualified Applicant; 4) award a contract in what it believes to be the best interest of the County; 5) cancel this request, in part or its entirety, if it is deemed to be in the best interest of the County; 6) reject the proposal of any Applicant who has previously failed to perform properly; 7) reject the proposal of any Applicant who has failed to complete a contract within the specified timeframe; and/or 8) reject the proposal of any Applicant that is not in a position to fulfill a resulting contractual obligation. This Request for Proposals (RFP) does not commit the County to award any contract, pay any pre-award expenses, or pay any costs incurred in the preparation of a Proposal.

Appeal Process:

In the event an Applicant (1) did not submit a complete proposal and will not be considered for funding, (2) is ineligible to receive funding for their proposal, or (3) was not recommended for funding by the Application Evaluation Committee, the Affordable Housing Department will notify the Applicant in writing. This notice will be sent via certified mail with the return receipt requested.

If the Applicant wishes to object, it must do so not later than five (5) business days from the date the notice was sent by sending a letter to the Director of the Affordable Housing Department that includes all pertinent documents and information necessary to support the Applicant's position.

If the Affordable Housing Department receives an objection within the five (5) business day period, the appropriate staff will review the objection and provide a recommendation to the Director of the Affordable Housing Department.

If the Director of the Affordable Housing Department concurs with the Applicant, the Applicant will be notified, and the process will be concluded.

If the Director of the Affordable Housing Department does not concur with the Applicant, the Applicant will be notified in writing of the decision and that it may appeal to the Affordable Housing Officer. This notice will be sent via certified mail with the return receipt requested.

If the Applicant wishes to appeal to the Affordable Housing Officer, it must do so not later than five (5) business days from the date the notice was sent by sending a letter to the Director of the Affordable Housing Department, requesting that the appeal be forwarded to the Affordable Housing Officer.

If the Department receives the appeal within the five (5) business day period, the appropriate staff will review the appeal and the Director of the Affordable Housing Department will provide information for review to the Affordable Housing Officer.

If the Affordable Housing Officer concurs with the Applicant, the Applicant will be notified, and the appeal process will be concluded.

If the Affordable Housing Officer does not concur with the Applicant, the Applicant will be notified in writing of the County's intent to proceed. The Affordable Housing Officer's response will constitute the Applicant's final administrative action with regard to its appeal.

If an applicant fails to object or respond at any point in the process, that Applicant waives its rights to appeal. Objections or responses received after the five (5) business day time period will not be considered.

The Director of the Affordable Housing Department has the authority to determine whether or not a recommendation will be deferred pending the outcome of a protest.
