

# FAMILY ANTI-CYBERBULLY PLEDGE

**I want to make a difference. I believe everyone should enjoy life equally, and feel safe, secure and accepted. To help stamp out bullying, I pledge to:**

## ***YOUTH PLEDGE***

- ✓ I will not give out personal information on the internet.*
- ✓ I will talk to a parent before I post or send out a picture of myself online.*
- ✓ I will get permission from a parent before I meet someone face to face from the internet.*
- ✓ I will keep my password to myself.*
- ✓ I will tell my parent or another trusted adult if someone online is making me uncomfortable.*
- ✓ I will not respond to any messages that are suggestive, obscene, belligerent, threatening, or make me uncomfortable.*

## ***PARENTS PLEDGE***

- ✓ I will talk to my child(ren) and we will decide upon the time of day, length of time, and sites or areas, that can be visited online.*
- ✓ I will listen to my child(ren) when they want to tell me about on-line content that is bothering them to determine if it is suggestive, obscene, belligerent, or threatening.*
- ✓ I will report aggressive, obscene or threatening online behavior.*
