

HILLSBOROUGH COUNTY PROCESS OF REVIEW FOR WIRELESS FACILITIES LOCATED IN RIGHTS-OF-WAY*

Poles structure located in the right-of-way with antennae addition a height of 75 feet or more, or the poles 24 inches or greater in diameter at the base:

The process of review would be by the Public Works Department, as governed by the *Supplemental Large Facilities Ordinance*. If however, the poles are to be located on local roads of 2-lanes or less in width, a public hearing before the BOCC would be required.

Poles structures located in the right-of-way with the antennae addition less than 75 feet in height and less than 24 inches in diameter at the base:

The application would have to go through a permit process of the *Utility Accommodation Guide* in Public Works. This is an administrative review process.

* The referenced ordinance and guide are not part of the Land Development Code.
