

## AGENDA

Cellular Communications Advisory Committee  
5:00-7:00 PM, May 4, 2011

- I. Approval of the minutes of April 12 meeting.
- II. Approval of agenda for May 4 meeting.
- III. Approval of the revised statement on “Goals, Areas of Concern, Possible Outcomes.”
- IV. Discussion: Identification of Specific Issues pertaining to Hillsborough Code

CCAC members will be asked to identify issues or problems identified with “Neighborhood and Property.” Committee members should be prepared to identify specific elements of the Hillsborough code that they wish to review, and/or specific proposals for change they would like to bring before the CCAC.

- V. Discussion: Selection of Issues and Proposals Hillsborough Code that the CCAC will review.

CCAC members should narrow and prioritize issues and/or proposed changes and forge a plan of action to:

- (a) further review information relevant to such issues, or
- (b) vote for specific proposals that emerge from the discussion.

- VI. Presentation: Application Approval Process (Joe Moreda, III)

Time permitting, the committee will hear a brief presentation by Interim Zoning Administrator Joe Moreda, III on the application/approval process for wireless communication support structures.

- VI. Discussion: Agenda for May 25 meeting.

The CCAC will discuss its plans, requests, proposals for May 25 meeting.
