**Subject:** Action Plan Status - Cellular Communications Advisory Committee

Good afternoon:

This is to provide a status report on the action plan for follow up to the Cellular Communications Advisory Committee.

Staff is in the process of reviewing the Final Report provided by the Cellular Communications Advisory Committee. The County Administrator will be preparing a report to the Board of County Commissioners based on staff's evaluation of the recommendations provided in the report. It is anticipated the Administrator's report will be provided in early 2012. We will advise the Committee when a date is set for the Administrator to present it to the Board of County Commissioners and also provide a copy of the report in advance of the presentation date.

If you have any questions please contact Joe Moreda at 813-276-8403 or at [MoredaJ@HillsboroughCounty.ORG](mailto:MoredaJ@HillsboroughCounty.ORG).

Thank you.

Peggy
