CHARTER REVIEW BOARD

January 10, 2011

Michael S. Merrill
County Administrator
601 E. Kennedy Blvd. 26th Floor, County Center
Tampa, FL 33602

Dear Mr. Merrill:

On behalf of the Hillsborough County Charter Review Board (CRB), I wanted to acknowledge the fantastic job that the following individuals have done in assisting the Charter Review Board over the last year. The individuals I wanted to thank are Edith Stewart, Public Affairs Administrator, who I have worked very closely with over the past year and who has assisted with setting our agendas, inviting speakers and handling numerous other issues. Mary Helen Farris and DeBora Cromartie-Mincey from the County Attorney's Office who have answered Legal questions as well as assisted the Board by drafting resolutions and referendums and researching a variety of other issues. Dan Klein and Yvette Castro from the Clerk of Court's Office who have patiently worked with our Board to ensure that our minutes and near verbatim transcripts were accurate. Finally, I would like to thank Lori Hudson and Terry McElroy from the Communications Department as well as all other ancillary staff that helped to promote and televise our meetings to the public.

As Chair of the Charter Review Board, I want to thank everyone above for their hard work and dedication, which has enabled us to have a successful term of office. I have personally enjoyed serving as Chair of the Charter Review Board and appreciate the prompt responses I have received to my numerous emails and phone calls.

Sincerely,

Mitchell Thrower
Chairman
