

Hillsborough County Employment Opportunity Program (EOP)

Program Overview

The Employment Opportunity Program was established in 2004 to help Hillsborough County residents regain economic self-sufficiency through employment. Since the inception of the program, the Employment Opportunity Program has assisted nearly 5,000 residents to locate employment.

Information for Employers

Hillsborough County's Employment Opportunity Program would like to assist your company in locating and placing candidates for your job openings.

EOP STAFF will pre-screen all applicants to ensure they are qualified to fill your vacant positions!
