

DM/DWBE & SBE Program Graduates

The following firms have graduated from Hillsborough County's Disadvantaged Minority/Disadvantaged Women Business Enterprise and Small Business Encouragement Programs by demonstrating outstanding business skills and practices. Their superior growth performance has elevated them to a level at which they are not longer in need of a preference program in order to compete effectively with other firms. These firms evidence the effectiveness of Hillsborough County's DM/DWBE & SBE Program, and our heartiest congratulations and sincere wishes for continued success go out to all of these business leaders. We are proud of each and every one of them!
