(1) In FY 00 the County implemented an all years budget process for capital projects. This means that beginning in FY 00 the current year's budget will only reflect changes in funding, such as additional funds being added to a project budget or unneeded funds being subtracted. Prior year funding will remain with the project until completion and will not need to be reappropriated every year.

(2) Includes interest earnings and other miscellaneous revenues.

(3) Other Non-CIP expenditures are Capital Budget Expenditures not related to the Capital Improvement Program, such as capital equipment, leasehold improvements, some land acquisitions, and the County's Major Repair, Replacement, Renovation and Maintenance Program.

(4) Reflects net changes to reserve accounts.
