Dear Neighborhood Partner:

We are gearing up for our 9<sup>th</sup> Annual Neighborhoods Conference and would like to invite you to participate in the 2012 **"Neighbor to Neighbor"** Neighborhoods Conference. The Hillsborough County Board of County Commissioners and Hillsborough Community College are hosting their 9th Annual Neighborhoods Conference. We invite you to show your support of grassroots civic improvements by becoming a conference exhibitor.

Hillsborough County Neighborhood Associations are known for their influence in their communities. Here's your chance to garner the support of leaders from more than 900 neighborhood, civic, homeowners, condominium and crime watch associations throughout Hillsborough County, Tampa, Plant City and Temple Terrace. Being an exhibitor offers various benefits but all share one common idea: proving that your company is a good neighbor that cares about its community.

The one-day conference, scheduled for March 24, 2012, from 8:00 a.m. to 2:30 p.m., will feature a variety of educational workshops that will inform and educate leaders. Neighborhood advocates will have the opportunity to network and share information. Local businesses and government agencies will have an opportunity to exhibit information and answer questions citizens may have about the services they provide. In addition, the conference will include a luncheon where annual neighborhood recognition awards will be presented and attendees will hear from elected officials.

The goal of the conference is to help citizens learn how to build a sense of community and make their neighborhoods safe, attractive and friendly. Because many attendees are private citizens, we strive to keep the registration fees as low as possible. Show your customers you care by becoming a 2012 Hillsborough County Neighborhoods Conference
