

Expanding the Program Beginning January 2012

Rec2Six joins America's movement to raise a healthier generation of kids by encouraging healthy lifestyle choices through physical activity and nutrition education.

The program provides afterschool care for children in grades 1-5 from 2 p.m.-6 p.m. Emphasis is on active, healthy lifestyles, including physical activity, proper nutrition, homework assistance and enrichment activities, like the 4-H program.

Rec2Six participants will:

- Enjoy and seek out physical activity
- Develop and maintain acceptable levels of physical fitness
- Develop goals for physical activity and healthy food choices
- Develop the ability to get along with others in a competitive environment
- Learn to nurture and care for living things
- Take pride in accomplishments
- Identify places in their neighborhoods that offer healthy foods (grocery stores, farmer's market)
- Use homework time to promote critical thinking
- Participate in unique enrichment activities deigned to expand the horizon of each child by introducing them to new activities.
- All program elements are integrated and interrelated. Activity staff is trained in basic child care principles, 4-H leadership and receive ongoing training in the gardening component and special interest activity. Each site is currently childcare licensed by Hillsborough County.

\$38/week full rate

\$30/week reduced lunch qualifier

\$20/week free lunch qualifier
