

Summer Lifeguards **NEEDED**

Locations: Lithia Springs Park E. G. Simmons Park

Lifeguards are essential in delivering important services to thousands of swimmers annually. Being a professional lifeguard requires commitment, dedication and discipline, as patron safety lies in your hands. Lifeguards must be knowledgeable in all County swimming area rules and regulations to ensure the safety of everyone in the swimming areas. Lifeguards must possess the ability to identify potentially dangerous situations to prevent them from arising and becoming accidents. County Lifeguards are responsible, committed and professional individuals. If this describes you, then take the next step toward this challenging employment opportunity!

Minimum Requirements:

16 Years of age with American Red Cross Certifications

Training to obtain Red Cross Certifications can be provided through Hillsborough County Parks, Recreation and Conservation.
