

INSTRUCTIONS FOR THE JOURNEYMAN ELECTRICIAN APPLICATION

1. **WHO MUST FILE FOR EXAMINATION:** There is no State of Florida for anyone to hold a “Journeyman” certificate of competency. This certificate does not permit the holder to perform any work or enter into any contracts on his/her own. The certificate holder must always work under the supervision of a properly licensed Electrical Contractor.
2. **QUALIFICATIONS:** Applicants must meet one of the following:
 - A. Have completed 12,000 hours of apprenticeship working under the supervision of a licensed electrical contractor, or
 - B. Have completed 8,000 hours of apprenticeship working under the supervision of a licensed electrical contractor and have completed a 4 year apprenticeship program recognized by the Florida Department of Education.
3. **APPLICATIONS:** Applications, including all items listed in Paragraph 10, must be filed with the Contractor Licensing Team, Hillsborough County Development Services Division, Planning & Growth Management Department.
4. **APPLICATION FEES:** The **non-refundable** application fee for a Journeyman License is **\$150**. If paying by check, make payable to Hillsborough County BOCC.
5. **EXAMINATION:** After approval of your application, you must arrange with Hillsborough County Contractor Licensing to schedule your exam. You will be furnished with a bulletin detailing the subjects you will be tested on and the reference books from which the questions are taken. Exams are open book; however, books which have been written in will not be allowed in the test area. You are allowed to highlight words, sentences and paragraphs. Exam fees are to be paid directly to the testing agency. If you do not pass the exam within the allotted approval period you will be required to pay the County an additional \$30 to recertify you to continue testing.
6. **PASSING SCORES:** Hillsborough County requires a minimum passing score of **75%**.
7. **RECIPROCITY:** Once obtained, the Electrical Journeyman Certificate of Competency is recognized in all jurisdictions throughout the State of Florida. You do not need to reciprocate your license with any other jurisdiction unless specifically required to do so for employment. If required to obtain a license in another jurisdiction you will need to request and pay for a “Letter of Reciprocity” to be sent to the receiving jurisdiction. This fee is \$50.
8. **LICENSE/CERTIFICATE RENEWALS:** **All Journeyman Licenses expire on September 30 of even years**, and licenses become delinquent unless renewed prior to that date. If a Certificate is not renewed for 2 consecutive years, the license holder may be required to retest before reinstatement. If the license is not renewed for a period of 5 years or more, the license becomes invalid and the individual must reapply as a new applicant. If approved, the applicant must be retested.

9. **REGISTRATION FEES:** The Journeyman fee for Registration with Hillsborough County (after passing the exam) is **\$35/yr.**

10. **APPLICATION FORM:** Hillsborough County will not process an application unless it is filled out completely on forms provided by the Hillsborough County Contractor Licensing Team, and all required information, including photograph, is attached. All information must be typed or clearly printed. Illegible or incomplete applications will not be accepted. For applications sent by mail, this will result in additional delays in processing as incomplete applications will be returned to the applicant. Hillsborough County will not "hold" an incomplete package. **Faxed applications will not be accepted, and all documents with signatures must be the original, signed copy.**

A. The applicant should submit his/her application in person; however, if it is impossible to submit the application in person, the application may be mailed with the total application fee of \$150 (non-refundable). The application package must include the following:

- a. Completed application (to include work verification form and **copy of current driver's license**)
- b. Copies of all Certificates of Completion from any accredited journeyman apprenticeship school.
- c. Application Fee of \$150

B. Application is to be delivered to:

Hillsborough County Development Services Division
601 E. Kennedy Boulevard, 19th Floor
P.O. Box 1110
