**Proceedings:**

The meeting was called to order at 9:30 am by Robert Campbell.

*Right-of-way costs*

- Mike Williams presented the right-of-way (ROW) costs associated with recent road widening projects in Unincorporated Hillsborough County.
- Based on the information presented by Mike Williams and the methodologies used in calculating the ROW costs in Long Range Transportation Plan (LRTP) update, and FDOT DRI proportionate fair share calculation, the committee reached a consensus to use the LRTP methodology.
- Waddah Farah to bring back to the committee FDOT D-7 ROW staff's comments.

*Retail – Trip Lengths*

- John Patrick presented an update to trip lengths researched by staff.
- Based on the information presented the committee reached a consensus on the trip lengths for Convenience, Neighborhood, Community, and Regional shopping trips.
- The committee to check the retail trip lengths with the modeling output to be presented by Danny Lamb at the next scheduled meeting.

*Proportioning of fees*

- Bob Campbell received the suggestions from the committee members and asked staff to bring back options, and strategies to the committee at the next scheduled meeting.
- Staff to work with Steve Feigenbaum to tabulate the transit capital costs and operating costs associated with each project.

*Next Meeting:*

- November 30, 2009 at 9:30am
