Subject: RE: CR 672 FM CIP 10144 - Final Construction Drawings, Including Tree Concerns

John,

Thank you for your quick, outstanding, professional service. The Survey "How Are We Doing," web page does not function correctly. So, I'll leave my comments in this Email.

You most certainly rate Top Of The Line in All areas, and are an exemplary County employee. It is the best testament to your supervisors and managers, as well.

Thanks again.
