Subject: Hillsborough Avenue Improvements - Talking to Spanish Business Owners

Carmen Telesca, County Planning & Growth Management, and I visited the list of Spanish Speaking business owners on Hillsborough Avenue between TNC Boulevard and Ambassador Drive this morning. The list was provided by Ginny Corless of HHI Design from the notes of those folks canvassing back on September 16. Carmen was encouraging them to participate in the November 8 meeting on improving Hillsborough Avenue.

Carmen received a warm welcome from Maria Hernandez, owner of the Villa Blanca Bodega Latina

Here Carmen is explaining the flyer (in Spanish) to Radys Ricardo Flores who owns Thaly's Fashion.

Carmen is a trooper and was warmly welcomed at each business.
