HILLSBOROUGH COUNTY INTERACTIVE VOICE RESPONSE SYSTEM (IVRS)

Please Note: In order to use this phone system, you must have your permit number available.

Interactive Voice Response System (IVRS) inspection scheduling numbers: (813) 272-5613, (813) 272-5618, (813) 272-5648, (813) 272-5639, regardless of inspection type.

Instructions on Use:

At the main menu, choose from the list of options provided. If you are calling from a rotary or a phone other than a touch tone phone, you will be directed to stay on the line to be connected to a receptionist for assistance. Inspections can be requested 7 days a week, from 7 am - 10 pm. Inspection requests called in by 10 pm will be scheduled for the following work day. Please stay on the line to receive your inspection confirmation number. **NOTE: If you do not receive a confirmation number, then your inspection did not get scheduled.** A confirmation number, however, does not guarantee an inspection on a given day since workloads vary. If you need assistance, please press '0' to speak to a receptionist during business hours, 7am - 5 pm.

Menu Options:

- 1 - To schedule an inspection (and request automatic results notification)
- 2 - To hear inspection results
- 3 - To cancel an inspection
- 4 - To check on electrical releases or certificate of occupancy status
- 5 - For all other permitting services, including building plans review, building code compliance and impact fee trust accounts
- 6 - To use our staff directory (during business hours)
