

The Golden Goal

Equipment: Flat-Bed Crew Cab Dump Truck.

Object: Navigate a driving course and discharge soccer ball, located in the bed of the truck, into the soccer goal by lifting the bed.

Scoring: The competitor who completes the task with the fewest faults, within the stated timeframe, shall prevail. Best time becomes the discriminator only if two or more competitors complete the task with the same number of faults.

Faults:

- Making contact with a traffic cone, barrel or marker.

Notes:

- Crossing the course boundary safety line, located outside of the coned course, will result in disqualification.
- No score shall be assigned should the soccer ball miss the goal.
- No fault shall be assigned if the ball enters the goal but bounce out.
- No faults are assigned for corrective maneuvering (pulling forward to reposition the vehicle) provided no markers are struck or no contact is made with the outer safety lines.
- Timing will end with the scoring of the goal.
- No score shall be assigned if the ball is ejected from the truck bed prior to attempting a goal shot.

Note: The information contained herein is intended to provide prospective competitors with an introductory overview of the planned event so all can prepare for the competition. However, the event itself, the rules, assignment of faults, the overarching time limit and equipment style is subject to change without further notice.

Final event information will be posted on the Grounds on the day of the event.
