

Steerin' Clear

Equipment: Skid-Steer Loader.

Object: Navigate an obstacle course while collecting and depositing objects found along the course.

Scoring: The competitor who navigates the course correctly and collects and deposits the defined objects, within the stated timeframe and with the fewest faults, shall prevail.

Rules: A fault will be assigned for the following infractions or errors:

- Failure to navigate the course in the defined route.
- Equipment touching the marked course boundary line.
- Failure to collect the identified object(s).
- Failure to properly deposit the collected object(s).
- Touching of a standing obstacle with the equipment.
- Any action deemed by the judge to be inappropriate or an attempt to circumvent the rules or the spirit of the competition may result in additional faults added to the score or disqualification.

Note: The information contained herein is intended to provide prospective competitors with an introductory overview of the planned event so all can prepare for the competition. However, the event itself, the rules, assignment of faults, the overarching time limit and equipment style is subject to change without further notice.

Final event information will be posted on the Grounds on the day of the event.
