

GREEN THEMIE

DID YOU KNOW?

- For every 100 pounds of trash that we throw away, 35 pounds is paper
- Paper and paper products take up over 35% of landfill space
- Corrugated cardboard accounts for almost 50% of total paper recycled
- **Hillsborough County government offices started recycling paper products in 1988**
- **Hillsborough County employees have recycled at work over 6 million pounds of paper products, aluminum cans and plastic bottles**
