

GREEN THEME

GREEN RESOLUTIONS

for 2009

- Keep your car tuned and car pool to reduce air pollution from auto emissions 
- Recycle grass clippings by leaving them on your lawn to add valuable nutrients to the soil
- Install low-flow showerheads, faucet aerators and toilets
- Plant a native shade tree to reduce outdoor temperature and improve air quality
-  • Replace an incandescent light bulb with a compact fluorescent bulb to save energy
- Choose reusable bags for supermarket purchases

RETHINK! RECYCLE! REDUCE! REUSE!
