***REDUCE HOLIDAY WASTE AND
HAVE AN ECO-FRIENDLY HOLIDAY SEASON***

- Shop online
- Send electronic greeting cards
- Give gift certificates, concert and game tickets
- Buy gifts with minimal packaging
- Reuse old greeting cards to make gift tags or ornaments
- Reuse materials like gift bags, ribbons, bows and gift boxes
- When mailing gifts, reuse shipping peanuts and bubble wrap, crumpled newspaper or plastic shopping bags to protect items
- Out with the old – in with the new – donate gently used toys and clothes to charities before the holidays
