Women's Health Workshop

Monday, October 26, 2009, 9:00 a.m. – Noon

Breakfast at 8:30 a.m. - Lunch following the Workshop

Children's Board of Hillsborough County, 1002 E. Palm Avenue

The purpose of the workshop is to invite representatives from the community that engage in health issues, specifically related to women, to provide feedback on the Commission on the Status of Women (COSW) Women's Health Report, discuss any changes in the women's health environment from their perspective, and identify their agency/group role as it relates to women's health issues. This workshop is free and open to the public.

The COSW was created to advise the Hillsborough Board of County Commissioners, the County Administration, the community, and all agencies and persons in Hillsborough County with respect to all matters pertaining to the status of women including but not limited to: discrimination against women; employment of women; education of women; establishment of day care centers in the community; attitudes towards women in the community, not including abortion; and to make periodic reports and recommendations to these bodies in respect to such matters. You can learn more about the COSW by visiting their website at: <http://www.hillsboroughcounty.org/statusofwomen/home.cfm>.
