Coaches in our program receive Double Goal coaching certifications through the Positive Coaching Alliance. This certification emphasizes the importance of positive character development alongside skill-building. By fostering teamwork, good sportsmanship, and a growth mindset, our coaches help children develop valuable life skills both on and off the field. Furthermore, all staff members hold CPR/First Aid certifications. Our staff encourages open communication to ensure that your child has the best experience. Feel free to contact the staff to discuss any questions or concerns.

Each week, a different topic will be introduced, and participants will learn how to apply the lessons they learn about character development to Parks & Recreation, home, school, and in their community.

AFTERSCHOOL ATHLETICS

The Hillsborough County After-School Program is committed to creating a positive and enriching experience through sports. By offering diverse leagues, we aim to empower our participants with valuable skills and an enduring love for athletics. Each child will participate in four after-school athletics leagues throughout the school year during program hours. These sports include flag football, ball hockey, basketball and soccer. These leagues focus on teaching fundamentals, increasing participant confidence, and sportsmanship. Every participant will receive a jersey to wear during game days. Parents are invited to come and watch the games, and the program staff will keep them informed about the schedule.

PROGRAM ROTATIONS

The daily activities will be structured around a rotation schedule utilizing various areas of the facilities. Groups will rotate daily between indoor and outdoor areas. We ask that all participants bring a water bottle to help keep them hydrated throughout the day. Children are encouraged to participate in the many exciting activities and events that are provided during the after-school program.

CUSTODY MATTERS

It is Hillsborough County Parks & Recreation's intent to meet the needs of the children, especially when their parents/guardians are experiencing a difficult situation such as divorce, separation, or remarriage. However, the center cannot restrict the non-custodial parent from visiting the child, reviewing the child's records, or picking the child up unless the center has been provided with current legal documents restricting the parent from having access to the child(ren). Copies of the court documents will be kept in the child's file.

CHANGE OF EMERGENCY INFORMATION

It is important that Hillsborough County Parks & Recreation maintain current and accurate records on each child so that parents can be contacted in case of an emergency. This information includes: address, phone numbers, email, and names of individuals authorized to pick up your child(ren). It is extremely important to your child(ren)'s safety and well-being that we be informed of changes. It is the responsibility of the parent/guardian to make any necessary updates if changes occur.

SIGN-IN AND SIGN-OUT PROCEDURES

For the safety of your child(ren) we require the parent/legal guardian to sign out their child(ren) upon pick up. Proof of identification will be required if the person on the release list is unfamiliar to the staff. On non-student camp days, parent/guardians must accompany their child(ren) into the center to sign them in.

- Only authorized persons may sign a child(ren) out.
- Photo ID may be required for the release of your child/children.
- Curbside Pick-up will be provided daily during the last hour of the program.
 - 5:30 p.m. to 6 p.m.
- If you wish to pick up or drop off your child at any other time, the parent/guardians must enter the center to sign in or sign out their child(ren).

FIELD TRIPS

Field trips are a privilege. Based on a child's attitude and behavior displayed at the recreation center, they may be held back from a field trip by staff. Permission slips will be required for all participants who attend a field trip.

TOYS/ELECTRONIC DEVICES

We request that participants do not bring personal belongings to the site. Electronic devices (cellphones, earbuds, Bluetooth, electronic games, iPads, etc.) are not allowed during program hours, and it is recommended that they not be brought to the sites. Hillsborough County is not responsible for lost or damaged personal property. Only bring essential items.

AMERICANS WITH DISABILITIES ACT

Hillsborough County Parks & Recreation invites people with and without disabilities to enjoy our Programs, services, and facilities. For more information, call Troy Stewart at (813) 344-8415 or email him at StewartWT@HCFLGov.net

BULLYING

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, lasting problems.

In order to be considered bullying, the behavior must be aggressive and include:

- *An Imbalance of Power*: Kids who bully use their power — such as physical strength, access to embarrassing information, or popularity — to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- *Repetition*: Bullying behaviors happen more than once or have the potential to happen more than once.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

We are committed to providing a caring, friendly, and safe environment for all of our participants that allows them to interact in a relaxed and secure environment. Hillsborough County will not tolerate bullying behavior in our centers. If bullying does occur, all children should be able to tell staff and know that incidents will be dealt with promptly and effectively. Anyone who knows that bullying is occurring is expected to tell a staff member.

Hillsborough County is committed to address concerns that fall under bullying immediately and fairly, inform parents about bullying and disciplinary policies, and stress to all participants the importance of choosing respect when interacting with one another.

2024 SUMMER CAMP PRIORITY REGISTRATION

Participants who actively attend the 2023-2024 Hillsborough County After-School Program qualify for priority registration for the 2024 Summer Camp. Priority registration will be Friday, March 1, 2024, to Friday, March 29, 2024.

COMMUNICATION

Please communicate any questions, comments, or concerns you may have to park staff. Keeping open communication between parents/guardians and staff is key to the successful after-school program.

Parents/Guardians should inform the staff when:

1. Household contact information should be updated (i.e. change in phone number, email, address, emergency contact, etc.)
2. Someone other than those listed on your child's registration will be picking up your child. This information must be in writing, and the designee will be asked to show valid identification.
3. Your child cannot be picked up on time or your child will be late.
4. If your child or member of the household is ill.

Parents/Guardians will be notified when:

1. Your child is injured or ill.
2. Your child is having disciplinary issues.

MEDICATIONS

Anytime your child needs any medication(s) during the program (including aspirin), we request that you bring the medication in to the site supervisor and fill out a medication form. This form will include the following information:

1. Name of medication(s).
2. Time(s) that the child is to receive the medication(s).
3. Dosage amount for each time provided.
4. Signature and date of a parent or guardian.

A doctor's prescription is required for our staff to oversee administration of any medication (including over-the-counter medication). Medications will be kept on a weekly basis only and must be stored in their original container. A photo of your child must accompany the medication and form.

SUNSCREEN

Hillsborough County Parks & Recreation staff recommend that participants wear sunscreen each day. It is the parent/guardian's responsibility to provide sunscreen for their child. If your child needs staff assistance in applying sunscreen, you will need to complete the sunscreen policy form. Our goal is to protect each child and prevent any occurrence of sunburn.

COMMUNICABLE ILLNESS

To ensure the safety and well-being of every child under our care, our program has a strict policy regarding communicable (contagious) illnesses. We regret to inform you that no child will be permitted to participate if they are experiencing such an illness. Please take note of the following conditions that would prevent your child from attending the program:

- If your child is currently unwell.
- If your child displays any symptoms of illness.
- If your child has been advised to undergo a quarantine period.

Symptoms encompass a range of indicators, including but not limited to:

- diarrhea
- vomiting
- fever
- sore throat
- stomachache
- headache

Children must be symptom-free for 24 hours before returning to the program. In some cases, a doctor's note may be required as proof of their recovery. Additionally, if your child is sent home due to head lice, they must be free of nits and receive clearance from a staff member before resuming their participation in the program.

FIRST AID

In the event of an injury, Hillsborough County staff will take necessary steps to keep children calm. Staff will seek emergency medical care as warranted. The following actions may include but are not limited to:

1. Provide immediate first aid.
2. Attempt to contact a parent or guardian.
3. If a parent or guardian cannot be reached, we will attempt to contact others listed on your registration forms.
4. In the case of serious injury, appropriate emergency medical assistance will be contacted (911 will be called).
5. If we are unable to reach you or the authorized person on your medical release form, the emergency staff will transport the child to the nearest hospital.

When emergency medical staff warrant that the child be taken to the nearest hospital, transport fees will be the responsibility of the parents or legal guardian. We will contact you and inform you of the EMS staff recommendation. A Hillsborough County Parks & Recreation staff member will remain with the child until the parents, or another authorized adult arrives. Hillsborough County Parks & Recreation staff may not transport program participants.

ANTI-BULLYING POLICY

**Hillsborough
County Florida**

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another either physically or emotionally. Bullying may include a pattern of:

- Name calling, being pushed or pulled about
- Being forced to hand over money or possessions
- Having personal items taken or thrown about
- Being attacked, teased, or called names because of your religion, sexuality, gender, appearance, and/or abilities

Bullying happens when a person or group of people want to have power over one another and use their power to get their way, at the expense of someone else. Bullying can also happen through cyberspace: through the use of emails, text messaging, instant messaging, social media, and other less direct methods. This type of bullying can also lead to camp participants being hurt, especially when persons are targeted through exclusion.

In Hillsborough County programs, bullying is inexcusable. Our philosophy is to ensure that every camper has the opportunity to have a positive experience. We work together as a team to ensure that camp participants gain self-confidence, make new friends, and go home with lasting positive memories.

Our camp leaders are trained to address all incidents of bullying. We encourage staff to promote communication with camp participants so campers will be comfortable alerting us to any problems.

The discipline associated with bullying is as follows:

- First occurrence – Communication Form in the child's file and discussion with a parent. Severity of bullying could result in up to a week suspension.
- Second occurrence – May include up to a two-week suspension.
- Third occurrence – May include up to a month suspension.
- Fourth occurrence – Removal from camp.

If any instructions on the original prescription label differ from the instructions you provide below, the medicine will not be administered to your child until a doctor's note authorizing the change in the prescription's instructions is provided.
2. If your child is to take over-the-counter medication, the medication must be in its original (store-labeled) container, and it must also be marked with your child's name. All over-the-counter medication requires a doctor's note including the child's full name, medication name, dosage, frequency of administration, doctor's name, and phone number.
3. Regardless of whether the medication has been prescribed, or is over-the-counter, the medication must accompany this form, and both must be handed directly to the site supervisor, or individual acting on their behalf, at the above-named camp locations.

Hillsborough County staff will not administer medication to your child if the above procedures are not followed, and if this form is not completed in its entirety.

I request that my child, _____, be administered the following medication.

Name of Medication	Dosage	Time of Day to be given	Special Instructions	Known Side Effects	Dates to be given

Furthermore, I understand that, should my child need medication on an "as-needed" basis, then said medication will be administered at the discretion of area supervisor, or individual acting on their behalf, and in cases of an emergency, that I may not be consulted before my child is given his/her medication. However, I also understand that Hillsborough County Parks & Recreation does not employ medical professionals to administer the above-named medication to my child and that all medication will be administered by someone without experience. As a result, I will not hold the County, or any members of the County staff, responsible or liable for information not contained on this form.
