Meeting Recap:

The committee received 2 presentations, both pertained to the annual workplan subject Food Scarcity. Dr. Jacque Jenkins provided an overview of the collaboration between Head Start and Social Services. Additionally, Audrey Ziegler provided information regarding the process and outcome of the collaboration. Ms. Ziegler spoke to the benefits of reaching citizens and communities that may have fallen through the cracks in the past. The CAC would like to investigate the potential benefits of further collaborations between County services to reach more people in need.

The members of the CAC concluded their meeting by deciding the committee would meet virtually for the summer months unless there are specific votes that need to be addressed. Subcommittees will focus on 5 subjects: Municipal Overlay, Food Scarcity, Transportation, Water Quality and Current Events.

The meeting adjourned at **10:45 A.M**

The next meeting is scheduled virtually for May 28, **2021**.
