

# River Oaks Diversion Project Map

Part of the Northwest Hillsborough Wastewater Consolidation Program

Public Utilities

Hillsborough County Florida

## Managing Potential Issues

### MAINTAINING TRAFFIC FLOW

All through-lanes open during morning and afternoon rush hour; tunneling under major intersections

### MINIMIZING NOISE IMPACTS

Weekday construction from 8 a.m. - 4 p.m.; on-site noise monitoring

### CONTROLLING ODOR

Wastewater treatment facilities removed from River Oaks site

### CONSERVING WETLANDS

Restored to existing conditions; net zero wetland impact

### RESTORING RIVER OAKS SITE

Treatment facilities removed; site restored and repurposed
