Application Instructions for State Registered (Local) Contractors

Local Specialty and State Registered (Certificate of Competency)

Any inquiries regarding the following instructions should be directed to Contractor Licensing

Email: licensing@hcflgov.net
Phone: (813) 272-5600

1. **WHO SHALL FILE FOR A CERTIFICATE OF COMPETENCY (CONTRACTOR’S LICENSE):**

Any resident or non-resident of Hillsborough County who intends to operate a business or qualify a partnership, firm or corporation; or contract or sub-contract (except where exempted by law) as an individual in the City of Tampa, Temple Terrace, Plant City, and/or Hillsborough County under any regulated contractor classification. Approval for licensing is granted by the appropriate Hillsborough County Board of Adjustment, Appeals, and Examiners. The Boards are Building, Electrical, Mechanical, and Plumbing. Hereafter referred to as “Board”. See Trades Which Require a License.

2. **APPLICATION AND FEES:**

The fee is $280 and non-refundable for each license application. If applying for more than one license, a separate application is required for each license.

3. **CRIMINAL BACKGROUND CHECK AND CREDIT REPORT:**

Contractor Licensing will obtain your criminal background check and credit report to include with your application package. Should there be any items of concern, you will be provided with a copy. See Suggested Guidelines.

4. **APPLICATION SUBMITTAL:**

Contractor Licensing will not process an incomplete application. See Checklist for Application Submittal. Applications must be submitted a minimum of 30 days prior to appropriate Board hearing. The Building Board meets monthly. The Electrical, Mechanical, and Plumbing Boards meet quarterly. Contact Contractor Licensing directly for a schedule of Board hearing dates.

The application should be submitted in person. However, if it is not possible to do so, you may mail the application with your payment and a self-addressed, stamped envelope. If paying by check, make check payable to Hillsborough County BOCC. For applications sent by mail, this may result in additional delays in processing as incomplete applications will be returned to the applicant. Contractor licensing will not hold an incomplete package.

Mail to: Hillsborough County Contractor Licensing, 601 E. Kennedy Blvd., 19th Floor, Tampa, FL 33602

5. **BOARD HEARING:**

Your application will reviewed by the Board for approval. While attendance is not mandatory, it is highly recommended you attend the hearing in order to answer any questions the Board may have. You will be notified by mail regarding hearing date, time, and location.

6. **EXAMINATION:**

Upon Board approval, Contractor Licensing will provide your contact information to a third-party testing agency. The agency will contact you via email and/or phone. All exam scheduling, payments, locations, and instructions will be handled by the testing agency. They will also provide a list of reference materials for the exams.

*(Examination continued on page 2)*
There are 2 (two) exams and the minimum score required is 75%. One exam is on the fundamentals of the trade; the second exam is on basic Florida business & law. They are both open-book. Verify with the testing agency their policy regarding open-book rules.

Consideration for persons qualifying under the American Disabilities Act may be arranged through the testing agency. In order to qualify, the applicant must meet ADA requirements and furnish required documentation from a doctor to the testing agency.

7. **RECIROCITY APPLICANTS:**

Exams are recognized for reciprocity in most counties in the state of Florida. Hillsborough County reciprocates only with jurisdictions which reciprocate in turn. If you did not score a minimum of 75% on either part of the exam, the Board will require that you re-test. For additional checklist items specific to reciprocity: See Checklist for Application Submittal.

8. **LICENSE REGISTRATION AND FEES:**

After Board approval and proof of passing exam scores, you will be able to register for your license. You will need to supply your general liability policy, worker’s compensation policy or exemption, and the Hillsborough County Code Compliance Bond (forms and instruction are located at the end of the application packet). You will also have a registration fee due. The normal fee is $140 for a 2 year cycle. The cycle begins on August 31st of odd years. Contractor Licensing will provide an exact fee due when you are ready to register for your license if your registration falls in between cycles.

9. **STATE REGISTRATION:**

Some trades will require registration with the State of Florida before the license can be activated in Hillsborough County. See Trades Which Require a License. It is the applicant’s responsibility to contact the Department of Business & Professional Regulation (DBPR) to register their license. Information can be found on the DBPR web site www.myfloridalicense.com. You are required to continue renewing both the Hillsborough County registration and State of Florida registration (inquire with the DBPR regarding their renewal process).

A state registered license is valid only in the issuing jurisdiction and you will have to apply for reciprocity in other jurisdictions. All licenses listed as requiring state registration are offered as CERTIFIED directly through the DBPR. It is suggested to research if the CERTIFIED license may be a better option for you because the CERTIFIED license valid statewide.

10. **LICENSE RENEWALS:**

If a license registration is not renewed for more than 2 consecutive years, you must apply for reinstatement and appear before the Board. The Board may require re-testing. If the license is not renewed for a period of 5 years or more, the license becomes invalid and you must apply as a new applicant, including retesting.

11. **APPROVED APPLICATION REQUIREMENT:**

If a license is not activated within 18 months of Board approval, the approval becomes void and you must begin the licensing process as new applicant.

12. **DENIED APPLICATIONS:**

Applications which are denied by the Board cannot re-apply less than 6 months from date of Board denial. Re-submittals will require payment of the full application fee. A new background check and credit report will be made a part of the re-submittal package. Denied applications are kept for a period of 18 months from date of the original Board Hearing.
Suggested Guidelines for Credit Report and Experience Details

The following information can significantly aid in Board determination of your eligibility to obtain a Contractor’s License/Certificate of Competency. In order to submit an application that best represents you as an individual, please review the below carefully.

**CREDIT AND CRIMINAL BACKGROUND CHECK:**

Members of the Board are required to ascertain whether an applicant for a Contractor’s License/Certificate of Competency demonstrates current good credit. Therefore, it is incumbent upon an applicant to review his or her credit report prior to appearing before the Board and be prepared to explain any discrepancies existing at that time. If there are significant issues with your credit report or if you believe there are errors, it is in your best interest to supply additional information to the Board from other sources showing evidence of good credit, such as the establishment of a recent line of credit with a business partner/suppliers, or updated accounts reflecting their current payment status. These items should be officially issued by companies on letterhead or company statements and have account numbers (where applicable).

Copies of evidence or official relevant information regarding flagged items shall be provided to the building department no later than ten (10) days prior to the hearing. Bringing documents to the hearing is not recommended as the Board collectively spends hours of their own time reviewing applications and cannot give an accurate and thorough review of additional data during the hearing. The Board reserves the right to not admit the materials if brought to the hearing.

For any flagged items on your background check, please provide written explanation and any official court documents that may be relevant to the charges.

**VERIFICATION OF CONSTRUCTION EXPERIENCE:**

Members of the Board are required to ascertain whether applicants demonstrate the appropriate amount of hands-on experience to qualify for the Certificate of Competency (Contractor’s License) in the trade in which you are applying. Your experience can only be verified by a contractor of the same trade or a trade that includes the scope of work for which you are applying.

Please provide explicit information and/or explanations to make it easier for the Board to evaluate your past work. You may do this on your Work History form. Also, have the Contractor on your Verification of Experience form include such details. Describe the type of hands-on work performed. Describe the kind of buildings, structures, or projects worked upon. Give any details that might aid in evaluating your experience. Attach additional page(s) as necessary.

If you are from a State that does not license contractors or trade specialties, the Board will most likely require a verification from a registered architect or professional engineer that can attest to your past work experience. Verification from a family member is not acceptable. Furthermore, the person verifying your work experience must have his/her signature notarized in accordance with applicable laws. Please verify these requirements.

Instructions for Hillsborough County Code Compliance Bond

The Code Compliance bond is required of all contractors working in Hillsborough County (not required of State Certified Contractors). Please ensure your bonding company completes all lines correctly.

1. “Bond For” should be the classification of contractor (i.e. Building, General, Mechanical, Electrical, Plumbing, Gas, Specialty (specific trade), Swimming Pools, Roofing, Irrigation, etc.).

   **NOTE: A separate bond is required for each license category/license held.**

2. The principal of the bond (“That we”) should have the complete name of the **License Holder and the Company.** Only one company name should be listed. If the contractor does not qualify a company and works as “individual”, then the contractor’s full name is acceptable. Bonds with only the company name will not be accepted. If the license holder qualifies a corporation or firm, the license holder must be an active officer of that corporation or firm, or must be its designated agent.

   **EXAMPLE OF PRINCIPAL ON BOND:**

   John Doe
   OR
   John Doe / ABC Construction Inc. or John Doe dba ABC Construction Inc.

3. The second blank space in Paragraph 1 names the Surety Company providing the bonding.

4. The second blank space in Paragraph 2 must contain the same as indicated above in item 2.

5. The license holder must sign the bond. The name of license holder must be printed/typed on the line above signature line. The “company” is not the license holder.

6. All bonds are “Continuous” until cancelled. Hillsborough County Contractor Licensing must receive all notices of cancellation no later than 15 days prior to the effective date of cancellation.

7. The Surety (bonding) Company is to notify, in writing, the Hillsborough County Contractor Licensing at (813) 272-5600, when any claim is made on any bond, whether paid on or not.

8. All bonds must contain the seal of the surety company and be signed by the Attorney-in-Fact for the surety company. A Power-of-Attorney for the individual signing on behalf of the surety company shall be attached to all bonds.
