Create and View Collections

Creating a collection offers a helpful tool to organize records. Collections allow the account holder to organize multiple records into a group with each collection acting like a project folder.

Create a Collection

- 1) Log in to the [portal](#).
- 2) Select **Search** and select **My Records** from the left-hand menu.

- 3) Select the record(s) to be included in the collection by selecting the checkbox next to the record(s) and select **Add to collection**.
