Forgot Username or Password

1. The Forgot Username and Password features are automatically activated when an online User Registration has been established. You can easily retrieve your Username/Password by clicking on the Forgot Username/Forgot Password button. The user will then be navigated to Username Request or Password reset request screen which is contingent upon which button was selected. There you will be directed to enter your email record on file. If your email is linked to multiple accounts, the Water Resources Account Number in question is required. If email address is correct, you will receive a message in your Inbox or Primary with the forgotten information or further instructions to unlock your information

The image illustrates the user flow for recovering account information. It starts with the 'Login' page, which includes a 'Forgot Username' and 'Forgot Password' button highlighted in a red box. From the 'Forgot Password' button, an arrow points to the 'Forgot Password' screen, which prompts the user to enter their username. From the 'Forgot Username' button, an arrow points to the 'Forgot Username' screen, which prompts the user to enter their email address. Both screens include 'Back' and 'Next' navigation buttons.

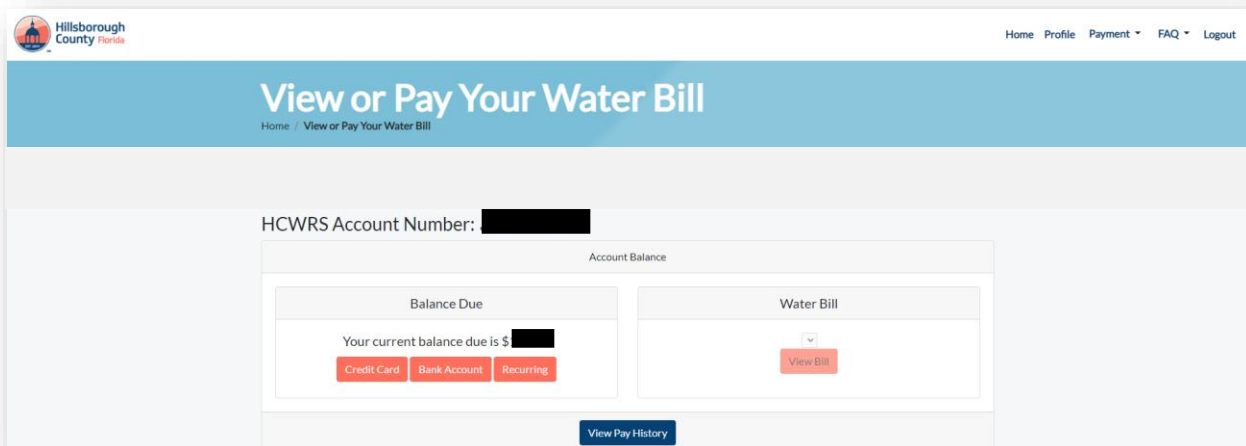

Tips:

- Be sure to enter the correct email address you provided at first registration. Often as users we may have multiple emails that we use. If an incorrect email entry is made, a security precaution will not send responses to random email addresses.
- A simple key entry error may also be another reason for a failed entry. Close and re-launch application.
- You may also have tools or settings in your Internet browser that saves previous history and may find it necessary to clear your browsing history data or previously set internet options/tools.

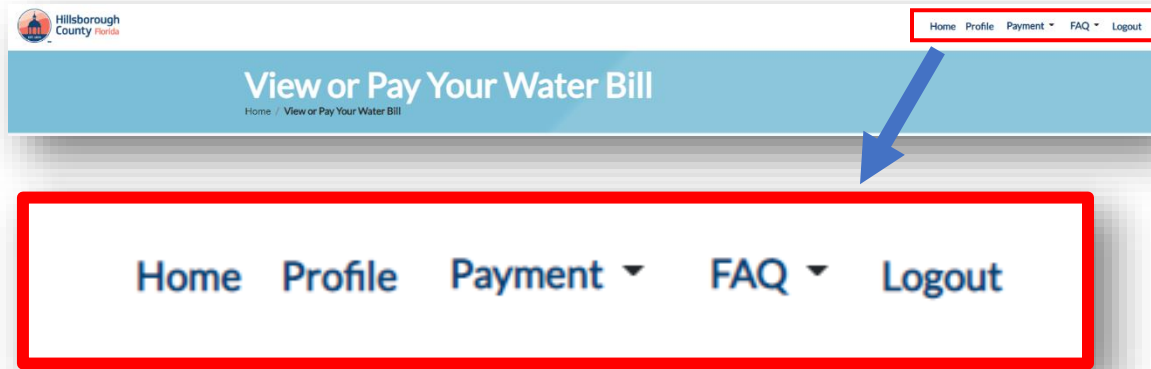

Home Page

1. The home page offers quick access to the most common reasons you wish to access your Water Resources account online such as simple views of your Account Balance, the ability to View Bill and View Pay History. Three easy payment options to pay your Water Resources bill are readily available. You may also sign up for Paperless Billing and Email Notifications.

Menu Options
