

Permit Requirements Commercial & Residential Demolition

To apply and submit required documents please [log in to your HillsGovHub account](#).

- Digital site plan showing all existing structures and structures to be removed
- A letter must be obtained from Tampa Electric. You may complete an [on-line application](#) on TECO's website.
 - PHONE: 813-225-5153
 - FAX: 813-314-4677
- Hillsborough County Public Utilities Department must review your application. Please upload a picture of the capped sewer line to the record on HillsGovHub.
- Verizon/Frontier must schedule and complete a site inspection before your permit can be issued. Please email April.kahler@ftr.com or call (813) 874-4414.
- The Health Department must approve your demolition permit application. If the property is connected to a septic system, it may be necessary to obtain an abandonment permit. If the property is hooked up to a sewer system, submit verification to the Health Department.
