RE: Hazard Mitigation Grant Program (HMGP) applications for FEMA 4486-DR-FL COVID-19 Pandemic

Dear Mr. Anderson:

The Hillsborough County Local Mitigation Strategy (LMS) Working Group (WG) met on November 10, 2021 to review projects submitted for consideration and ranking, as required by the Notice of Funding Availability (NOFA) for the Hazard Mitigation Grant Program. The finalization of project ranking was adopted by an online survey and vote by WG members eligible to vote based on the Governance document in Appendix H of the approved LMS. The ranked projects have been deemed by the WG to align with Hillsborough County's LMS goals and objectives as noted in the NOFA, and with the State's mitigation goals and objectives in accordance with the Code of Federal Regulations 44 §201.6.

The Hillsborough County LMS WG therefore presents the attached project list for HMGP funding consideration.

If you need any additional information, please contact me at (813) 272-5977, Extension 43017 or email [SalisburyT@hcflgov.net](mailto:SalisburyT@hcflgov.net).

Sincerely,

Elizabeth Dunn, LMS Chairperson
