

RETURN TO COMPETITIVE PLAY COVID-19 GUIDELINES/PROTOCOLS

All football organizations with valid permit or facility use agreements may resume competition by submitting a written action plan for a safe return to competition. All plans will be submitted and reviewed by county staff. County staff will notify the team when they can resume competition. Current CDC guidance, affiliation's requirements and the recommendations below should be incorporated when preparing the plan. These guidelines are subject to update, plans may be required to be revised as appropriate, or league play may be suspended if necessary.

RTCP PROTOCOL

- Schedules must be submitted to Hillsborough County for approval
 - Fields in close-proximity must have staggered times
 - Only two teams per field
 - Schedules should be staggered and allow for ample time between scrimmages/game transitioning:
 - To ensure social distancing
 - Prevent overcrowding
 - No early arrivals/late departures
 - Competitive play must have a time limit
- Sports organizations shall distribute the Return to Competition Play safety plans and protocols to all league members
- Continue to use online registration and use of conference calls or other online/remote platforms for any group or parent meetings
- No on field presentations, awards and/or photos – use of virtual ceremonies is encouraged and recommended
- Facial coverings/masks/face shields are required to be worn by all upon entry and continuously while onsite
This includes:
 - When the recommended six-foot social distance cannot be maintained (It is recommended extending player boxes along sidelines)
 - Circulation to areas where interactions (intended or not) are likely (i.e. entering and exiting, restrooms, concession, etc.)
 - Players on benches, coaches and officials on and off the playing field, spectators when circulating or not maintaining social distance
- Exemptions include:
 - Those with a medical condition
 - Children with physical or intellectual disabilities that prevent the proper wearing of a face covering/mask
 - Children under the age of five years old
 - Players actively participating on the playing field
- Limit use of shared equipment – encourage players to bring their own
- Individuals shall bring their own snacks, beverages, water bottles for personal consumption
 - No group water or water coolers shall be used
 - The use of candy, chewing gum and/or sunflower seeds is not permitted by players, coaches, umpires
- Team huddles must allow for safe distancing
- No unnecessary player contact (handshakes, high-fives, fist/elbow bumps, group celebrations)

CLEANING

- Any shared equipment needs to be sanitized between uses. Footballs will be rotated and sanitized as often as possible during the game. Team personal will be responsible for sanitizing footballs per sideline.
 - EPA registered disinfectants only. Must be COVID-19 approved
 - Products must be used safely and per their instructions
 - Products must be stored in a secure location – no public access
- Each team must have FDA approved hand sanitizer with at least 60 percent alcohol for coaches and participants
- Clean, disinfect and sanitize common high touch surfaces such as equipment, shared objects, door and sink handles, drinking fountains, restrooms

SAFETY

- Safety plan shall outline the cleaning, disinfecting and sanitizing process when members report COVID-19 like symptoms
- Safety plan shall include adequate social distance provisions for inclement weather (i.e. lightning)
- Immediately notify health officials including the HCPRD Athletics office when members report COVID-19 like symptoms
- Those who feel ill must stay home
- Bleachers will be available for use but must be marked every 6 ft in all directions for social distancing
 - Family units of two people will be allowed every 6 ft
 - Leagues should limit non-essential staff, volunteers, and/or spectators
 - Only two spectator tickets/league vouchers per player allowed for attending games, league will need to collect & monitor
 - If a parent chooses to watch, he/she must:
 - Stay off the field/sideline
 - Maintain social distancing in the bleachers
 - No intermingling of groups

FIELD/FACILITY

- Football organizations are required to operate entry point screening consisting of temperature checks and symptom questions for everyone who enters the facility (including but not limited to players, spectators, coaches, staff)
 - Spectators and parents must have a ticket to enter facility
 - Hillsborough County Parks will provide each site with a plexiglass screening station with symptom questions signage – Successful screening is required for entry to facility by all
 - The station should be set up in a shaded location under cover
 - Screening station personnel must wear face covering/masks and gloves
 - Each league will receive two non-contact infrared thermometers, if needed to screen for temperatures below 100.4 degrees Fahrenheit. No recording of information is required
 - Those successfully completing screening will receive a colored wristband or sticker or other non-contact marking
- Specific entry/exit to facility and drop off/pickup plan that supports social distancing
- Must keep roster/attendance records for 120 days for all scheduled activities to assist with contact tracing, if necessary
- Monitor the players use of restrooms ensuring social distancing to include overcrowding
- Concession stands are to remain closed until further notice
- All fields must be locked/secured after use except for the designated public use field
- Signage shall be posted promoting proper hygiene etiquette and social distancing standards
- Facility hours are from sunrise to 9pm

MONITORING/COMPLIANCE

- RTCP plans shall indicate how groups will monitor all usage for compliance
- Consequences for noncompliance may include a suspension from play and/or loss of facility use
- Report any noncompliance or other issues to Hillsborough County Athletics: PRK-Fields@HCFLGOV.net
