Subject: Revision of Hillsborough County Pump Station Electrical Drawings and Specification 333003

Summary: This revision corrects the electrical drawings to match the current County Standards, and additionally specifies anchoring of the free-standing panels.

Specifics: Replace current County Electrical drawings and add the following to PUD Technical Specification 33003 Part 4.5 Control/RTU Panels and Appurtenances: 4.5.6 Free-standing panels, 25 hp and greater, shall be anchored to the pump station slab using Three (3), 316 stainless steel, ½-inch x 6-1/2-inch Wedge anchors per each panel foot. Anchors shall be embedded 4-inches into the slab.

Please contact Kathryn L. McAuliffe at 612-7764 if you have any questions about this Technical Bulletin.
