

# Temporary Irrigation Days and Hours in South Hillsborough County through Dec. 31, 2022

On Dec. 16, 2020, the Hillsborough County Board of County Commissioners approved a temporary change to Chapter 111 of the Hillsborough County Code of Ordinances and Laws (Water Conservation), which outlines the year-round conservation measures required by property owners and residents.

**New temporary irrigation restrictions for all property owners located within the impacted area south of the Alafia River include:**

- All watering must be done in **one of the allowed watering periods** on your designated day:
  - Between 8:30 a.m. and noon OR
  - Between 6 p.m. and midnight
- Irrigation of established lawns and landscape is limited to **one day a week** on the following schedule:
  - Addresses ending in 0 or 1 on Mondays
  - Addresses ending in 2 or 3 on Tuesdays
  - Addresses ending in 4 or 5 on Wednesdays
  - Addresses ending in 6 or 7 on Thursdays
  - Addresses ending in 8 or 9 on Fridays
  - Locations with no address and locations with mixed addresses (such as office complexes and shopping centers) on Saturdays

## Who do these water restrictions apply to?

These restrictions apply to all within the South County variance area - not just customers of Public Utilities – and most water sources, including private wells, and ponds or lakes that are used as alternate irrigation supplies. Reclaimed water customers may irrigate any day of the week before 10 a.m. or after 4 p.m., although these customers are encouraged to use only what is needed.
