APPENDIX N

ADOPTION RESOLUTION
RESOLUTION NO. RIS-109

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF HILLSBOROUGH COUNTY, FLORIDA, TO ADOPT THE 2015 UPDATE TO THE COUNTYWIDE LOCAL MITIGATION STRATEGY.

Upon motion by Beckner, seconded by Miller, the following Resolution was approved by a vote of 7 to 0.

WHEREAS, Hillsborough County is located in an area that is vulnerable to natural and man-made disasters; and

WHEREAS, pursuant to federal and state law, a Local Mitigation Strategy (LMS) is a plan that presents a unified strategy toward building a disaster-resilient community; and

WHEREAS, Title 42 United States Code Chapter 68 requires local governments to develop mitigation plans outlining processes for identifying natural hazards, risks and vulnerabilities that may affect their jurisdictions; and

WHEREAS, Chapter 44 Code of Federal Regulations Part 201 requires that local governments prepare and adopt a jurisdiction-wide natural hazard mitigation plan; and requires them to review and update said plan every five years in order to be eligible to receive project grant funds under the Hazard Mitigation Grant Program; and

WHEREAS, on August 18, 1999, the Board of County Commissioners adopted a resolution approving the County’s first LMS for Hillsborough County and the cities of Plant City, Tampa, and Temple Terrace; and

WHEREAS, in accordance with Chapter 27P-22 of the Florida Administrative Code, the county-wide LMS 2015 Update sets forth the method for monitoring and evaluating changes to hazard assessments, the project priority list, the critical facilities list, the repetitive flood-loss list, and map revisions; and

WHEREAS, the LMS is updated annually pursuant to Chapter 27P-22 of the FAC; and

WHEREAS, the LMS 2015 Update has been prepared pursuant to 44 CFR 201; and

WHEREAS, the LMS 2015 Update has received the conditional approval by FEMA and the State Division of Emergency Management; and

WHEREAS, the State and Federal conditional approval of the LMS 2015 Update will become final upon adoption by the Board of County Commissioners; and

WHEREAS, the Federal Emergency Management Agency (“FEMA”) operates the National Flood Insurance Program (“NFIP”); and
WHEREAS, the LMS 2015 Update addresses hazard mitigation concerns from the standpoint of Hillsborough County's participation in the NFIP; and

WHEREAS, the LMS 2015 Update continues to serve as the floodplain management plan and to address repetitive flood loss properties; and

WHEREAS, the LMS 2015 update may require future amendments to address changes in Federal floodplain regulations or programs; and

WHEREAS, the NFIP's Community Rating System ("CRS") is a voluntary incentive program that recognizes and encourages community floodplain management activities that exceed the minimum NFIP requirements; and

WHEREAS, flood insurance premium rates are discounted to reflect the reduced flood risk resulting from the community actions which meet the CRS's goals of flood loss reduction, accurate insurance rate facilitation and the promotion of the awareness of flood insurance; and

WHEREAS, Hillsborough County is nationally ranked within the top three (3) percent of communities participating in the CRS; and

WHEREAS, the LMS 2015 Update serves as a guidance for the Hillsborough County Post-Disaster Redevelopment Plan; and

WHEREAS, the LMS 2015 Update works in concert with Chapter 22, Article III, Hillsborough County Code of Ordinances, Part A, which establishes mitigation efforts following a storm event; and

WHEREAS, the LMS Working Group is required by Chapter 27P-22 of the Florida Administrative Code and has a membership which is approved annually by the Board of County Commissioners; and

WHEREAS, the LMS 2015 Update incorporates the local Citizen Corps Council membership into the LMS process; and

WHEREAS, public meetings were held to receive public comment and recommendations for the LMS 2015 Update; and

WHEREAS, the LMS 2015 Update was developed by Hillsborough County, the City of Plant City, the City of Tampa, the City of Temple Terrace, community interests, stakeholders, and the communitywide Local Mitigation Strategy Working Group; and

WHEREAS, the proposed LMS 2015 Update has been filed with the Ex-Officio Clerk of the Board of County Commissioners of Hillsborough County, Florida, and by this reference is made a part hereof; and
NOW, THEREFORE, BE IT RESOLVED, that the Hillsborough County Board of County Commissioners in a meeting held this 15th day of July, 2015:

1. That the Local Mitigation Strategy 2015 Update, attached hereeto by reference as Exhibit “A”, is hereby adopted.

2. That the Local Mitigation Strategy 2015 Update shall be forwarded to the City of Plant City, the City of Tampa, and the City of Temple Terrace for consideration.

3. That this resolution shall take effect immediately upon adoption.

STATE OF FLORIDA

COUNTY OF HILLSBOROUGH

I, Pat Frank, Clerk of the Circuit Court and Ex Officio Clerk of the Board of County Commissioners of Hillsborough County, Florida do hereby certify that the above and foregoing is a true and correct copy of a resolution adopted by the Board at its regular meeting of July 15, 2015, as the same appears in Minute Book 470 of the Public Records of Hillsborough County, Florida.

WITNESS my hand and official seal this 20th day of July, 2015.

RESOLUTION NO. 108-15

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEMPLE TERRACE, FLORIDA, ADOPTING THE FIVE-YEAR UPDATE TO THE LOCAL MITIGATION STRATEGY, IDENTIFYING AND PRIORITIZING HAZARD MITIGATION PROJECTS.

WHEREAS, State, local and tribal governments are required by Federal law (Title 42, Part 68 of the United States Code and Title 44, Part 201 of the Code of Federal Regulations) to develop a hazard-mitigation plan as a condition for receiving certain types of emergency or non-emergency disaster assistance; and

WHEREAS, the hazard-mitigation plan is a long-term strategy for reducing disaster losses, and is referred to within Hillsborough County as the Local Mitigation Strategy (LMS). The LMS planning process began in 1998 when the County and its jurisdictions integrated mitigation with day-to-day decision making regarding pre- and post-disaster planning, floodplain management, site design, and other functions; and

WHEREAS, member agencies must re-adopt the LMS every five years; and

WHEREAS, the City of Temple Terrace has been a participant of the LMS Working Group, comprised of representatives from Hillsborough County and the Cities of Plant City and Tampa, since 1998. The Group meets routinely to identify potential hazards throughout Hillsborough County, assess areas vulnerable to various hazards, and identify possible actions to mitigate future damage. After the initial adoption of the first LMS on September 23, 1999, the City adopted subsequent five-year updates on November 2, 2004, and July 6, 2010; and

WHEREAS, adoption of five year updates are required for a community to meet Federal standards and to remain eligible for grants associated with Severe Repetitive Loss (SRL), Repetitive Flood Claims (RFC), Pre-Disaster Mitigation (PDM), Hazard Mitigation Grant Program (HMGP) and Flood Mitigation Assistance (FMA); and

WHEREAS, the Federal Emergency Management Agency and the State Division of Emergency Management have reviewed the 2015 LMS update document and find that it complies with Federal mitigation planning standards and is eligible for assistance. (Chapter 252, Florida Statutes, and Chapter 27P-22 of the Florida Administrative Code also have additional requirements with which this update complies.) The Hillsborough County Board of County Commissioners adopted the 2015 LMS update on July 15, 2015; and

WHEREAS, the LMS document compliments components of both the Comprehensive Plan and the Comprehensive Emergency Management Plan and works in concert with post-disaster redevelopment activities by providing a listing of mitigation projects that may be eligible for funding through disaster and pre-disaster assistance grants.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF TEMPLE TERRACE, that:

City Council adopts the five-year update to the Local Mitigation Strategy, identifying and prioritizing hazard mitigation projects.
