TRANSPORTATION DESIGN BULLETIN 21-15

DATE: May 14, 2021

TO: County Director of Capital Programs Department,
County Manager of Construction Services,
Division Director of Transportation Maintenance,
County Project Managers and Project Engineers of Record

FROM: County Engineer,
County Director of Engineering & Operations Department,
County Director of Technical Services Division,
County Manager of Transportation Services Section

COPIES: County Director of Geospatial & Land Acquisition Services Department

SUBJECT: SIGNING AND PAVEMENT MARKING CONCEPTS FOR ROUNDABOUTS REQUIRED IN PRELIMINARY SUBMITTALS

This bulletin requires conceptual signing and pavement marking plan sheet(s) to be submitted with preliminary roundabout plans for all projects.

REQUIREMENTS

Provide conceptual signing and pavement marking plan sheet(s) with preliminary roundabout plans for all Project Development and Environment Studies (PD&E), Preliminary Engineering Reports (PER), and first phase of construction plan projects. The concept should include a graphic representation of striping along with conceptual signage. Location callouts and similar labeling are not necessary.

BACKGROUND

Previous roundabout submittals did not require signing and pavement marking plans until the 60% submittal. Providing a review of the conceptual signing and pavement marking plan at earlier stages allows the reviewers to make a more comprehensive assessment of the roundabout performance.

IMPLEMENTATION

Effective Immediately.
