

Disposal Contractors for Hazardous Waste, Used Oil, Electronics, & Fluorescent Lamps

The Hillsborough County Solid Waste Management Division (SWMD) maintains the following list of companies that pickup hazardous waste, used oil, electronics, and fluorescent lamps for disposal by commercial facilities. This is a partial list of companies that are registered with the Florida Department of Environmental Protection (FDEP) to haul specific wastes. A complete list is available by contacting the Environmental Protection Commission of Hillsborough County at (813) 627-2600. The SWMD does not endorse specific companies. Users of this list are responsible for ensuring that products, equipment or services comply with the requirements of local, state and federal laws. The list is updated periodically and subject to change without notice.
