Dear Customer:

To qualify for the disability backdoor collection exemption, the customer and a licensed health care provider must complete and return the certification application to:

Hillsborough County Solid Waste Management
Attention: Solid Waste Assessments
PO Box 342456

Once you have applied, you do not have to apply again. However, if your physical condition changes and you are able to deliver the solid waste to the curb, or should an individual twelve (12) years or older reside with you who can deliver the solid waste to the curb, you must contact the Public Works Department by telephone or U. S. mail within ten (10) days and advise them of this change in your eligibility for the disability backdoor service. The Public Works Department reserves the right to audit the roll for disability exemptions from time to time to verify that individuals receiving the exemption meet the minimum requirements.
